Tell Me A Story

“Tell Me A Story” is the new theme an project for this year. Think of all the stories about Jesus we can share with those around us. I know you have a special story in the Bible, I know I do. This theme touches young and old alike.

Many of our IW’s are learning to share Christ through “orality”, in other words, storytelling. It has been proven that people remember much more if they are told a story rather than reading it. Most people are “oral learners”. Our project monies will go toward purchasing story resources, training, media internships and workshops, and technology equipment for our IW’s to learn and teach “orality”. If you would like to know more about “orality”, you can go to the Orality webpage on the National C&MA website. YouTube has a short three minute overview video entitled, “Knock-Knock Orality”. I am sure we will all have a lot of fun with this theme. There are so many avenues we can take to share Christ with those around us. Let’s use the power of storytelling to make a difference. More ideas and graphics can be found on the National GCW website www.greatcommissionwomen.org.

A Heartfelt Thank You

Being in Western PA on tour this year has been such a blessing! We are returning to Germany with so many faces etched in our minds. Thanks for your faithfulness in prayer and giving in so many ways so that we can continue in the ministry God has given to us. We return to Germany on July 7th. We get to see the boys once more in June before leaving. Enjoy the IW’s who will be here for the new year.
