Atlanta Arms of Love

Envision Atlanta Afterschool Program

Do not withhold good from those to whom it is due, when it is in your power to do it (Proverbs 3:27).

A refugee is a person who has had to leave their native country to seek “refuge” or safety from danger in another country. Refugees from all over the world have come to our country and many have settled in Clarkston, GA, “the most diverse square mile in America.” Refugees represent 90 ethnic groups living in 42 apartment complexes. 90% of the refugees have no gospel witness.

Mark and Cheryl Grosseohme are embracing a new ministry with Envision Atlanta. They need your support as they take on the challenge to establish an afterschool program for these refugee children. The Grosseohmes believe that the most important thing is to love them and to introduce them to Jesus.

**The project runs
from June 1, 2017
thru May 31, 2018**
