

Please pray for our International Workers

PRAYER REQUESTS

WPA District International Workers

Prayer Requests for the week of December 25-31, 2017

Monday, December 25: **All IW's** – It is so very hard being away from family on this precious day. Please pray for our IW's.

Tuesday, December 26: **Guy & Denise** – They are thankful for a two-week semester break. Please pray for all of the staff and students who are traveling home to be with their families. // **Krystal** – a new couple will be joining Krystal's team January 2018. Pray that they will be full of God's peace as they say goodbye on this end, and that they will have an easy transition with their baby boy.

Wednesday, December 27: **Mike & Ruth** – Pray for the people doing the online course "Know Jesus" and the graduates. Pray that the course would not be just academic but as Scripture is read that it would act as a hammer, a sword and a fire. Pray for Ruth that she would have wisdom responding with answers to the students. // **Dave & Teresa** – Pray for their daughter, Chandra, and her fiancé, Chris, and their wedding plans for April, their counseling and trusting the Lord in everyday life.

Thursday, December 28: **Eric & Vicki** – they ask for continual prayer for their family's health. // **Megan** – Megan shares that there is a father and son who have a growing interest to hear about God's Word and the Savior. Pray for their salvation and that an abundant harvest will be produced as more people learn about the love of Christ.

Friday, December 29: **Krystal** – her aunt is very ill and is currently in hospice. Pray for strength and peace for the family as they walk through this difficult time. // **Andrea** – As the year draws to a close and she is still in the fundraising process, please pray that God would supply the need and make it possible to be in the field as soon as possible.

Saturday, December 30: **Mark & Cheryl** – Pray that Mark & Cheryl can each fulfill the 40 hours of required (by the state of GA) training to direct after school programs for elementary age refugee kids.

Sunday, December 31: **Dave & Teresa** – Continue to pray for their student missions fellowship committee, especially the seniors as their schedules are busy and they have lots of responsibilities. // **Megan** – It is unsettling to her soul to see the poverty of friends in the village and then return to live with all the comforts that the city provides. Pray that Megan will keep her eyes fixed on Jesus Christ seeking His wisdom and not run from these challenges, but rather lay them at His feet and trust Him.
