The Video Library Ministry is an excellent tool to utilize in your local church for Sunday school classes, seminars, teacher training, retreats, small groups, VBS, outreach and much more. We want all selections to focus on current issues and concerns in today's society. We are excited about the new selections that have been added to our library.

Review the catalog and make your selection. We suggest that you choose more than one video because your first selection may already be rented. If you are unsure of your selection, you can arrange for a free preview. If you decide not to rent the video, return it to the district office. You are only required to pay the shipping cost. To save on the cost of shipping, return videos via Media Mail wrapped in brown paper.

To rent, arrange for a preview, reserve your selections, or to make a donation to the library, contact Janeen Barrett by phone: 814-938-6920 or email: barrettj@cmawpa.org. The selections you rented may have already been reserved by another church to use at a later date, so please return them to the district office **immediately** after you are finished with your study.

For your convenience, the Video Library Catalog is published on the District website at www.cmawpa.org under the Resources tab. If you would like to have a hard copy of the catalog, contact Janeen.

We accept donations for the district library. The church donating the video will have free use of it at any time. You will also receive the value of the video in free rentals.
