

Missionary Wheels Project

Imagine This...

To secure transportation for your family that is

Reliable...Safe...Affordable...

Then sell it in a year. Sound like fun? It isn't!

That is where Missionary Wheels comes in.

MWP provides missionaries with vehicles while they are home on furlough in an effort to relieve the stress and financial loss they often experience when returning to the US. It helps them make the most of their time here at home!

Robert Brougher, missionary to Venezuela, comments:

"It is a very difficult transition to get established as missionaries back in the States. It has to be done very quickly. Missionaries have to make all kind of adjustments when on home assignment including housing, education for their children and transportation. The Alliance Men's Missionary Wheels Project takes the edge off of searching for a vehicle by providing one. It is there waiting for us. We don't have to worry about getting financing or taking the time to find a car. When we are finished with the car at the end of the year, we just return it and don't have to worry about losing money. Thank you Missionary Wheels!"

Other missionaries who have taken advantage of this ministry were, The Thompsons, Kendalls, Maurins and McCabes. They all remarked that Missionary Wheels Project is a tremendous blessing!

How can you help?

Pray...Pray for our ministry! Get involved in the Mug Dump! Get a free Missionary Wheels mug and fill it with spare change. Drop the money into the kettle in the foyer at the Somerset Alliance Church.

Help us bless those doing His work!!
