COMMENTS

For the past 4 years, I have been serving as consultant/advisor to the National Sunday School Chaplain and SS Committee. I have especially been helping them with training and camps. However, the majority of my time has been spent working teaching English classes. The purpose of these classes is to build relationships and earn credibility to share the Gospel with people who would not normally be open to a Christian witness. We have seen Muslims come to Christ and God do amazing things through answered prayer.
