**Did you know?**

Everyone has his or her own unique odor-identity or "smell fingerprint" which is determined by many factors including our genes, skin type, diet, medicine, mood state, and even the weather.

Queen Elizabeth 1. Her Perfume Garden. The original recipe for Queen Elizabeth 1's favorite perfume has been recently found in a book at the royal Horticultural Society's library: "Take eight grains of musk, and put in rosewater eight spoonfuls . Three spoonfuls of damask water and a quarter of an ounce of sugar. Boil for five hours and strain."

## Happy New Year

As we walk into this new year may we all move into it with the praises of our Lord on our lips. May we all strive to be that sweet-smelling aroma of Christ to all those around us. II Corinthians 2:15 reads " For we are to God the aroma of Christ among those who are being saved and those who are perishing."

Humility is a fragrance of Christ that we can emulate. Jesus came into the world and served with complete humility. Do we serve with others in mind? Do we serve so we can meet the needs of people? Humbleness is saying; *I will obey, I will serve, and I will not put my desires above others.* Let's reach in to ourselves and see what our motives are. Are we selfish and always want our own desires met or do we desire to see the needs of others met? Maybe we need to reach up to God and ask him to give us a servant's heart. Ask him to help us to serve others with a grateful heart and to do it without grumbling or resentment and without expecting praise for what we are doing. Then, reach out to help someone and see if you are not blessed by doing so. Let's take upon ourselves the fragrance of humility and serve for the glory of God.

Philippians 2: 5-8 says" Your attitude should be the same as Christ Jesus: Who, being in very nature God, did not consider equality with God something to be grasped, but made himself nothing, taking the very nature of a servant, being made in human likeness and being found in appearance as a man, he humbled himself and became obedient to death, even death on a cross"!

Jesus' Words have a wonderful fragrance. The more we read them the more the aroma from them penetrates our hearts. Proverbs 18: 20-21 [The Message] "Words satisfy the mind as much as fruit does the stomach; good talk is as gratifying as a good harvest. Words kill, words give life; they are either poison or fruit--you choose."

God's words are in the Bible to nourish us, to feed us and to help us to grow more like Him. The more we read them, the more they help us to grow in his knowledge and grace. We need to ask the Holy Spirit to give us the right words to say to help encourage people. Negative words defeat those we are talking to but positive words help them to be encouraged to do their very best. Recently I was talking with a lady that was having problems with a couple other people. As I was leaving her I asked her if she could just treat them as Christ would, just to love them as Christ would. I pray that my words were encouraging to her and that she would follow through with it.

Reach in and ask the Holy Spirit to check you in the words that you use in conversation. Reach up and ask Jesus to put the right words in your mind and mouth. Reach out and encourage other people to do great things for God. And then give God all the glory. Read the Bible, God's Word. Study it and grow into the servant he wants you to be... a humble servant with the fragrance of Christ.
